NAGR TV Ad Exposes John Morse

The National Association for Gun Rights (NAGR) launched a three week TV ad buy today in Colorado Springs, Colorado, exposing Senate President John Morse's support for gun control.

NAGR's 30-second TV ad exposes Senator Morse's anti-gun leadership and urges Colorado Springs residents to call Morse and demand he stand up for Colorado's gun owners, not East Coast liberals.

"NAGR will not stand on the sidelines and let John Morse get a pass on his anti-freedom, anti-gun votes during the last session of the legislature," said Dudley Brown, Executive Vice President of the National Association for Gun Rights. "Michael Bloomberg has made his agenda known in Colorado with his anti-gun lobbyists -- whose advice John Morse listened to more than his own constituents."
